

STATINTL

Chief, Education Standards Staff
GS - 15

MISSION

As a general training consultant to assist in the establishment of the Office of Training in the Central Intelligence Agency.

FUNCTIONS

1. To assist in planning and organizing those phases of the training program of the Agency that pertain particularly to Departmental personnel.
2. To have general supervision over Agency Orientation and Clerical Training programs.
3. To be administratively responsible for Unclassified Training Group A, Language Training, and Training Liaison with Universities, Colleges, and Institutes.

TASKS

1. To organize and maintain the operations of Unclassified Training Group A: acceptance of trainees, constant check-up on progress of trainees, insuring quality of instruction, providing for trainees who have completed courses but remain uncleared, maintaining constant liaison with operating offices from which trainees come.
2. To provide language training facilities to meet current needs of Agency personnel; to explore and develop additional language training resources outside of Washington; to develop effective working relations with language training facilities in the Washington area; to establish language training opportunities within the Agency.
3. To explore the problem of functional training liaison between the Office of Training, operating offices in the Agency, and colleges, universities, and institutes that may develop programs to meet the specific training needs of Agency personnel in all fields of investigation.
